SA International Appoints Kane Zheng to Senior Application Engineer

Salt Lake City, UT – June 14 , 2011 – SA International (SAi), the leading provider of Solutions for the Professional Sign Making, Digital Printing and CAD/CAM for CNC Machining Industries, appoints Kane Zheng as Senior Application Engineer in Asia.

As the economy turns a corner, SAi meets a mounting demand for new development of our software products, especially in Asian markets. With more than 10 years' experience in programming software solutions for digital signage and large-format digital printing, Kane is an invaluable asset to the company.

"Kane's broad ranging experience will help SAi strengthen our presence in China and surrounding Asian countries," states Sarit Tichon, Senior VP of Sales and Marketing.

About SA International:

SAi is recognized as a global leader in providing complete, professional solutions for the sign making, digital printing and CNC machining industries. The Company's solutions help turn creative ideas into reality by providing world-class design and editing tools geared for production. Headquartered in Salt Lake City, Utah, SAi has additional offices in Belgium, Brazil and China.
